

Figlie di Fortuna

Our mission is to nourish the hungry soul, spread radical kindness, and uplift humanity, empowering dignity for all, by building a substantial set donation into the cost of each product to feed a hungry person in America.

Fortuna (Roman goddess) symbolizes good fortune, infinite supply; the cornucopia flows with kindness and abundance. Figlie di Fortuna means Daughters of Fortune.

Take the End Hunger Pledge:

To:

I pledge to fight hunger in America.

I will make a difference in the lives of people around the country by donating, spreading the word about the hunger/poverty problem in the United States, supporting legislation to help hungry Americans, changing the laws that have driven hunger/poverty to unacceptable numbers, boycott the corporations that contribute to the problem, and/or by volunteering with a local organization fighting hunger in my community.

Sincerely,
